

Term Life Insurance

Term life insurance provides temporary financial protection for your loved ones during your working years. Help ensure that if something unforeseen should happen, short and long term financial obligations could be met.

Types of Term Life Insurance Available		
Basic Term Life	Supplemental Term Life	Dependent Term Life
An employer-paid coverage offered for a set period of time that provides your beneficiaries with essential financial protection.	An employee-paid benefit allowing you to purchase additional protection as your needs change over time.	Provides coverage for your spouse, civil union partner or domestic partner and eligible children.

Advantages of Term Life Insurance through Aliat

Aliat provides \$10,000 of Basic Term Life Insurance to all full-time, benefit eligible employees, with a generous guaranteed issue buy-up option.
