Your people are one of your greatest assets,

but they're also one of your greatest expenses. Are you *minimizing the cost?* There's no better tool to control your cost of labor and simplify time tracking than an integrated time and labor solution.

Time & Labor Seamlessly Integrated With Payroll, HR & Benefits

Reduce your cost of labor
Gain clear visibility of your labor expenses. Control wages and overtime by paying accurately and to the minute.

Reduce your cost of admin
Turn hours of administration into minutes with smart, accurate time tracking.

Reduce your compliance risk
Minimize non-compliance risk by streamlining your FLSA, ACA and other compliance challenges with automation.

Increase employee productivity
Simplify time management, time off, and scheduling. Increase accountability by giving your employees the right tools.
